Grant of Approval for Universities: (section 4.3 of chapter IV)

4.3 Seeking Approval of the Council

- 4.3.1 Application for the various categories mentioned in Chapter I, II and III of the Approval Process Handbook, for Universities offering Technical Programme(s) at Diploma/ Post Diploma Certificate/ Under Graduate Degree/ Post Graduate Diploma/ Post Graduate Degree Level for conducting Programmes in Engineering and Technology, Planning, Applied Arts, Crafts and Design, Hotel Management and Catering Technology, MCA and Management.

NOTE: Council shall NOT grant approval for any integrated programme/course which requires approval from different regulatory bodies.

4.3.2 Requirements and Eligibility

- Notification issued by the Government under Central/ State Act declaring an Institution as a Central/ State/ Private University or section 3 of UGC Act declaring an Institution as a Deemed to be University.
- The Central / State / Private / Institution Deemed to be University shall be a registered Society under the Societies Registration Act, 1860 through the Chairman/ Secretary of Society or a Trust registered under the Indian Trust Act, 1882 as amended from time to time or any other relevant Acts through the Chairman/Secretary of the Trust or a Company established under Section 8 of Companies Act, 2013 or Central or State Government/ UT Administration or by a Society or a Trust registered with them.
- Provided that the members/ Trustees/ promoters of a managing Trust/ Society/ Company of an Institution Deemed to be University, not being controlled by Government/ UT, shall not be directly or indirectly connected with the members/ Trustees/ promoters of a managing Trust/ Society/Company.

- 4.3.3 In all the above cases, Universities seeking approval for the first time from AICTE shall submit an online application through web portal as a new Technical Institution for all their existing Technical Programme(s) and Course(s). University having Multiple Campuses/ Off Campuses/ Constituent Colleges shall apply separately for approval.

The Central / State / Private Universities are taking approval from AICTE for some of the selected Technical Programme(s)/Course(s)/intake which is creating confusion to the students. Therefore, the Central / State / Private Universities, which are interested in obtaining AICTE approval shall have to obtain approval for all the Technical Programme(s)/ Course(s) / intake and not just for few selected Technical Programme(s)/Course(s)/intake (at any level) after fulfilling the mandatory requirement of AICTE norms notified from time to time.

As regards, Institutions Deemed to be Universities, it is mandatory to have AICTE approval from the Academic Year 2018-19 in compliance of the Hon'ble Supreme Court Order dated 03-11-2017 passed in CA No.17869- 17870/2017. It is found that some of the Deemed to be Universities have yet to take AICTE approval or taken approval partially for selected Technical Course(s)/ Programme(s)/ Intake (at any level). Therefore, Institutions Deemed to be Universities who have never taken approval from AICTE are directed NOT to run any Technical Programme(s)/ Course(s) without prior approval of AICTE.

NOTE: Application for partial approval of any Programme(s)/Course(s)/Intake at any level shall NOT be permitted.

- 4.3.4 Universities in existence seeking approval for the first time from AICTE shall be processed without applying the recommendations of National Perspective Plan for Technical Programmes.
